

# FLORY 34 SERIES SWEEPER

View Real Performance Video

Suitable Crops

## FEATURES

- The best in operator comfort and visibility
- Blower with new 50/50 split and spun inlets provide greater control and 23% more air than previous models
- Road speed of up to 14 mph to get to the next job quickly without a trailer
- Proven sturdy 5 bar head and "Align-Mount" reel for extended bearing and reel life
- Trunnion mount rear axle provides a flexible chassis for traction across rough and uneven terrain
- New engine cover design with increased durability to withstand harsh conditions
- Optional 4-wheel drive handles any sandy or hilly conditions with ease
- Large tires offer the best flotation across loose soils
- ½ In. thick orchard-proof glass on windows
- Video camera system with rear view
- Turn signals and flashers for improved road safety
